AUTOMOTIVE ADVANCED TECHNOLOGY MEETINGS

Business convention dedicated to innovative vehicles, advanced manufacturing and revolutionary technologies!

Automotive Advanced Technology Meetings - AATM is a **business convention dedicated to innovative vehicles, advanced manufacturing and revolutionary technologies**, located at the heart of the highly developed automotive community in the Hauts de France region, Valenciennes.

- The Haut-de-France region is the first French automotive province, hosting 3 global manufacturers, located on 7 construction sites, including Toyota, Renault and Stellantis
- More than 550 automotive suppliers, subcontractors and service providers are present in the area
- Planned development of the Gigafactory in Douvrin, by 2023

AATM allows suppliers dedicated time with contractors, **automotive manufacturers, buses, HGVs, scooters, land vehicles and tier 1 & 2 equipment manufacturers, who meet your business needs and expertise.**

IN PARALLEL WITH THE BUSINESS MEETINGS, THERE WILL BE A CONFERENCE EXPLORING THE LATEST INDUSTRY TRENDS AND CHALLENGES, INCLUDING:

- Green hydrogen production
- Charging station infrastructure
- Autonomous and frugal mobility
- Battery factories - Gigafactories / new battery electrochemistry
- New players in electromobility
- Recyclability and short circuits

PARTICIPANT PROFILES

EXHIBITORS
